About the Winning Hackers

Socializr

Socializr is an application for helping people socialize in the REAL world instead of the virtual one. Ever do we as an app for helping all of the 7 billion people in the hacking sure you're not lying or if We're trying to socialize more and [transcend] that helps people only the by tools to their life. Also we are awesome we... any incentive from the app are shared in the most interesting and exciting ways.

Runners up

Focus App (FKA Walk-The-Line)

2nd Place

Don't drink and drive! The app will challenge you to walk a straight line before you drive. If you can't, it'll refuse to start your car, without the calling a cab and paying with... bucks... 1st place, with the Axel.

View the app

Line App

3rd Place

The biggest pain whether it would a line cutting. Ready, standing in an based this is the app that will help you to know how long the line is waiting. And as you can see, it helps... Hurray by letting people cut you.
